# Mitral Highlights

Monday, 5 June 2023 | 13:00-18:35 CET

12:00-13:00 Welcome buffet lunch

13:00-13:05 Day 1 opening

## Latest trends Primary Mitral Regurgitation (MR)

**Moderators:** *Victoria Delgado & Nikolaos Bonaros*

|             |   |                        |
|-------------|---|------------------------|
| 13:05-13:20 | Realities in perioperative risk: mitral valve repair for primary MR             | <i>Meindert Palmen</i> |
| 13:20-13:35 | TEER in primary   | <i>Jonathan Byrne</i>  |
| 13:35-13:50 | Decision making in primary MR: which patient for which therapy                  | <i>Gry Dahle</i>       |
| 13:50-14:10 | Live-in-a-Box: surgical mitral valve repair and TEER as complimentary therapies | <i>Martin Andreas</i>  |
| 14:10-14:30 | Round table discussion  |                        |
| 14:30-14:50 | Coffee break  |                        |

## Does it really matter? Concomitant tricuspid valve surgery

**Moderators:** *Elena Sandoval & Torsten Doenst*

|             |  |                       |
|-------------|--|-----------------------|
| 14:50-15:05 | Concomitant tricuspid valve repair during mitral surgery: let's go for it                      | <i>Elena Sandoval</i> |
| 15:05-15:20 | Concomitant tricuspid valve repair during mitral surgery: a word of caution                    | <i>Gilles Dreyfus</i> |
| 15:20-15:35 | Decision making in concomitant mitral/tricuspid valve disease: which patient for which therapy | <i>Torsten Doenst</i> |
| 15:35-15:55 | Beating heart tricuspid repair: TTVI   | <i>Martin Andreas</i> |
| 15:55-16:15 | Round table discussion   |                       |
| 16:15-16:35 | Coffee break   |                       |

Session

3

## The Achilles' Heels Systolic Anterior Motion (SAM)

**Moderators:** *Gry Dahle & Gilles Dreyfus*

|             |   |                         |
|-------------|---|-------------------------|
| 16:35-16:50 | The science behind annuloplasty rings                                       | <i>Elena Sandoval</i>   |
| 16:50-17:05 | Indicators of a high risk for SAM: how should it be assessed?               | <i>Victoria Delgado</i> |
| 17:05-17:20 | Decision-making for mitral valve repair in patients with a high risk of SAM | <i>Nikolaos Bonaros</i> |
| 17:20-17:40 | Live-in-a-Box: Bileaflet prolapse with a high risk of SAM                   | <i>Gry Dahle</i>        |
| 17:40-18:00 | Round table discussion  |                         |
| 18:00-18:30 | <b>Guest Lecture:</b> the future of mitral valve therapies                  | <i>Gilles Dreyfus</i>   |
| 18:30-18:35 | Day 1 take-home messages  |                         |
| 19:30       | Group dinner  |                         |

## Tuesday, 6 June 2023 | 08:30-13:00 CET

08:30-08:35 Day 2 opening

Session

4

## Hot off the press New options in our toolbox: mitral valve repair vs replacement

**Moderators:** *Tommaso Hinna Danesi & Augusto D'Onofrio*

|             |   |                             |
|-------------|---|-----------------------------|
| 08:35-08:50 | Mitral regurgitation: new definitions setting the stage of the debate         | <i>Victoria Delgado</i>     |
| 08:50-09:05 | Mitral valve replacement: when is it an option                                | <i>Francesca Chiamonti</i>  |
| 09:05-09:20 | Mitral valve repair (surgical/transcatheter): pushing the limits              | <i>Tommaso Hinna Danesi</i> |
| 09:20-09:40 | Live-in-a-box: mitral valve repair on patient with mitral annular disjunction | <i>Nikolaos Bonaros</i>     |
| 09:40-10:00 | Round table discussion  |                             |
| 10:00-10:20 | Coffee break  |                             |

Tuesday, 6 June 2023 | 08:30-13:00 CET

## Well, that's debatable! Is gender a relevant topic in the field of mitral valve diseases?

**Moderators:** *Victoria Delgado & Francesca Chiaramonti*

|             |  |                              |
|-------------|--|------------------------------|
| 10:20-10:35 | Are there differences between men and women with mitral regurgitation? | <i>Francesca Chiaramonti</i> |
| 10:35-10:50 | Is mitral valve disease treated differently in men and women?          | <i>Augusto D'Onofrio</i>     |
| 10:50-11:05 | How gender impacts outcomes after mitral valve surgery?                | <i>Victoria Delgado</i>      |
| 11:05-11:30 | Round table discussion   |                              |
| 11:30-11:35 | Day 2 take-home messages   |                              |

## Mitral Highlights Challenge Test your knowledge

|             |  |
|-------------|--|
| 11:35-13:00 | Complex clinical cases will be presented to the on-site audience who, in small groups, will be invited to give their opinion on the best management for the patient! |
| 13:00       | Lunch  |
